Re: In re Young Bros., Docket No. 2006-0120

Dear Commissioners:

Young Brothers, Limited (**YB**) respectfully notifies the Honorable Public Utilities Commission (the **PUC**) that a memorandum of understanding (**MOU**) among YB, the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs and the Department of Transportation addresses the issues in YB's application in this proceeding. The MOU is effective as of this date, August 21, 2006.

YB will be submitting a notice of withdrawal of its application, together with a copy of the MOU, within the next five days. The MOU, in short, contemplates that the Department of Transportation will be providing YB with additional harbor space and other improvements that will enable YB to continue less than container load service statewide as described in the MOU.

Accordingly, YB respectfully requests that the PUC excuse YB from the requirement to submit two filings due today (its Reply Statement of Position and responses to PUC-IR-701 and PUC-IR-702) in light of the imminent withdrawal of its application.

Very truly yours,

YOUNG BROTHERS, LIMITED
